

Discontinuation and Replacement of Heat Shield and Welding Adaptor for Oxygen Sensors

MOTORTECH is announcing the discontinuation and replacement of the following items:

- > Heat shield (P/N: 19.60.022)
- > Welding adaptor (P/N: 19.60.023)

The order-related changeover will take place after the currently available stocks have been sold off.

The heat shield is replaced by a new version that can be used with 2 types of welding adaptors for oxygen sensors (M18 thread) and NO_x sensors (M20 thread).

ORDERING INFORMATION

P/N	Description	Supersedes
07.81.076	Heat shield for NO _x sensor/oxygen sensor, inner thread M30x1,5, outer diameter 63.5 mm, height 80 mm	19.60.022
07.81.081	Welding adaptor for heat shield P/N 07.81.076, outer thread M30x1,5, inner thread M18x1,5, for oxygen sensor (e.g. P/N 19.60.004 & 19.60.015)	19.60.023
07.81.077	Welding adaptor for heat shield P/N 07.81.076, outer thread M30x1,5, inner thread M20x1,5, for NO _x sensor (e.g. P/N 56.03.003)
