

Technical Training – Module 7

Status Training

Your know-how as a flagship: Gain expert knowledge about our products in our technical training courses and achieve the MOTORTECH gold status for qualified service. The gold status certificate distinguishes you as a professional company and certifies that you can achieve the highest efficiency of our products.

MAIN TOPICS STATUS TRAINING

- › Supplements/changes to products that have been published in the meantime via Sales & Service Bulletin
- › Technical presentation of new products that may have come onto the market in the meantime
- › Supplements/changes to the modules which may have occurred in the meantime due to renewals
- › Final test to achieve the gold status from the main topics modules 2, 3, 5 and 6

❗ **Prerequisite** is already achieved silver status! Valid for 1 year.

❗ **New Training Center Location:** Hunaeusstrasse 5, 29227 Celle

👤 **Target Group**

The status training is aimed at service companies and users who would like to stand out from other companies with qualified specialist knowledge.

📋 **Objective**

Participants who have already achieved silver status and have deepened their knowledge through their own practical applications can achieve gold status here and thus prove their extended knowledge.

After successfully completing the training unit, the participant will also be able to safely apply new products or product changes.
